To whom it may concern

Dear supporter,

Donations to St Weonards Parochial Church Council (PCC)

Thank you very much for considering a donation to support the life and work of the parish church in St Weonards. There are a small number of volunteers who have responsibility for the upkeep of our Grade I 13th century church, and the churchyard. It costs over £450 per week to keep this church and churchyard open, and to contribute to the costs of our parish vicar. We remain completely reliant on generous donors and fund-raisers to meet these costs, as we receive no money from the government, county or parish councils, or the central church.

For more information about ways to support us, please visit the [St Weonards Church web page](#).

If you would like to make a donation by bank transfer, please contact me via the email address below and I will send you the PCC's account details with CAF Bank Ltd.

After you have made your online donation, please send a brief confirmation email to stweonardspcc@gmail.com so that I can identify your gift and acknowledge safe receipt.

It is most helpful to the PCC if you are willing to leave your donation unrestricted for the general purposes of the church. This allows the PCC to allocate funds to priority activities and work.

However, if you would prefer to restrict your donation to our Churchyard Fund (for maintenance of St Weonards Churchyard) or Building Fund (for fabric repairs), please attach a brief accompanying note to explain this.

Thank you – your contribution, of whatever size, will make a real difference to the church and our outreach.

Yours sincerely,

Stephen Herbert
